## Reports & Analysis

### Detailed Breakdown of Expenses

View a comprehensive breakdown of your expenses over a specified period, categorized by expense type such as groceries, utilities, entertainment, and more. Understand where your money is going and identify areas where you might be overspending.

### Comparative Spending Analysis

Analyze your spending patterns over time with comparative analysis tools. Compare your expenses month-over-month or year-over-year to identify trends and insights. Visualize your spending habits to make informed financial decisions.

### Expense Insights

Receive personalized insights and recommendations on areas where you can potentially save money or reduce expenses. Get actionable tips on optimizing your spending habits and achieving your financial goals.

### Export Options

Export your financial data with ease using our export options. Generate printable or downloadable reports in various formats such as PDF or CSV. Share your reports with financial advisors, accountants, or simply keep them for your records.
